

Phillips 66 Payments Processing

Credit card processing services that are designed to lower your costs and raise your service and performance.

Phillips 66 is proud to have the opportunity to work with Pure Oil and provide additional benefits for Pure Oil members. We have a unique offering due to the nature of our business... we are one of you. We are in the petroleum marketing business too. We are excited to be able to offer services for petroleum marketers that are designed to lower your costs and raise your expectations and performance for their credit card processing.

Benefits

Competitive pricing - Simple monthly billing of fees, no hidden costs, and reporting transparency

Consulting - Phillips 66 will provide a cost summary of your current processing arrangement

Service and support - 24/7 help desk for credit card related issues. All staff located in Bartlesville, OK.

PCI secure - Protect payment card data and reduce data breach risk

Staff of fraud prevention

professionals – Working to assist you in reducing risks and fraud losses.

Purchasing power - Cost savings from major oil national programs for Point of Sale, dispensers, scanners and more.

2.5 cents and nothing else!
